2022 - MID YEAR REVIEW

ONE COMMUNITY CAMPAIGN

We kicked-off our 1st annual ONE Community Campaign and things are heating up, but we still need your support to reach our goal so that we may continue to provide our education sessions at a low cost to law enforcement and the communities served. This campaign is specifically focused on our Serving in the 21st Century and Traffic Stop Safety curricula. Both are geared to save lives and bridge the divide between all parties.

There are multiple ways to help! You can scan the QR Code to the right to bring you directly to our official campaign page or follow the link below.

- 1) **Make a one-time donation** - just click the Donate Now button and follow the prompts.
- 2) **Make a recurring donation** - just click the Donate Now button, then Recurring Donation. You choose how often and how much.
- 3) **Start your own D2C ONE Community Campaign fundraising page** by clicking the Become A Fundraiser button and then click As An Individual. You will be able to add your own information and share with your family and friends. It is so much easier than it sounds. Most of the work has already been done for you. :-)
- 4) **Start your own D2C ONE Community Campaign TEAM** by clicking the Become A Fundraiser button and then click Create A Team; or if you already know someone who has a team, click Join A Team to find them.
- 5) **Take the ONE Community Challenge!** Ask yourself and others, *what kind of ACTION will you take today that will change the way you interact with just one person in your community - either personal or professional - in a positive manner?* - Share your answer with us on social media!

MIAMI HEAT & MIAMI POLICE DEPARTMENT

Our February, April and May sessions were incredible but nothing could have prepared us for the outstanding leadership displayed by the Miami Heat bringing together not only D2C and the Miami Police Department but also Florida Blue and Wilson Sports for an unforgettable day of community bonding and basketball. And congratulations to Dr. Rick Holton, our first D2C Community Champion Award recipient.

NBA VALUES OF THE GAME AWARD 2022

Please join us in congratulating two of our outstanding friends and partners at the Miami HEAT – Michael McCullough and Steve Stowe. On Friday, April 22nd, Michael and Steve received the NBA Values of Game Award for their work with D2C and the Miami Police Department. Please check out the link below for two must-see short videos about our HEAT partnership, and get first hand insight into how it was launched.

WELCOME CORY MCGOOKIN!

In March, we announced the addition of Cory McGookin, retired FBI Agent and Unit Chief at the FBI National Academy, to our ranks. Cory hit the ground running as D2C's Vice President of Law Enforcement Relations and senior instructor.

"[Cory] exemplifies servant-leadership at the highest level, and having him as one of our organization's executives will undoubtedly accelerate D2C's growth and heighten its impact on the masses," stated M. Quentin Williams, our founder & CEO.

Cory made his D2C teaching debut on April 11th with Fordham University Athletics

THANK YOU, PARTNER

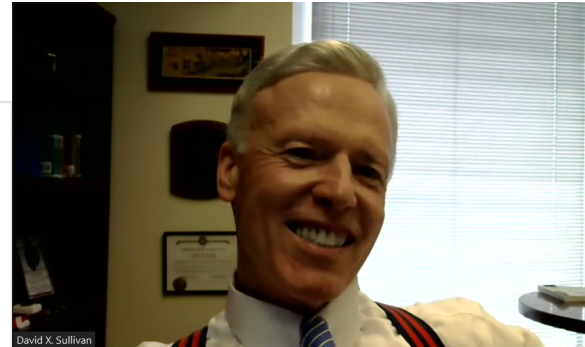

We would like to thank our partner, CPR Foundation, for their hospitality and generosity in providing meals and refreshments at our February and April sessions in Miami. It is because of partners like CPR Foundation and its leader, Al Eskanazy, that we are able to enhance the level of engagement at our sessions.

For more information on the CPR Foundation (Community-Police Relations Foundation), please visit their website at www.CPRFcharity.org.

ONE COMMUNITY PODCAST

Never one to sit idle, our founder, M. Quentin Williams, kicked off a new podcast in April called **One Community - Q&A with Q&X**. Q is joined by close friend, David "X" Sullivan, to discuss... well, just about everything. Through the voices of Q and X, we can all try to make some sense of the world that we live in with a good laugh, a good cry, or just a good commiserating sigh of shared frustration. And in a world where divisiveness has ruled the day, they will educate and entertain listeners by showcasing how society benefits when we seek to find answers rather than arguments. YOUR SUPPORT IS NEEDED

Over the past two years, your support has made it possible for us to serve approximately 2,500 law enforcement officers in 7 states while also helping them to create long-term trusting relationships with the communities they serve.

Please consider making a donation to support D2C as we continue to work to ensure safe, positive, respectful interactions amongst all people, in particular between law enforcement and the communities served.

Donations can be made through our website, on our Facebook page, or using the QR code to the right. You can also check with your employer to see if your company participates in corporate matching programs like Benevity. Or simply continue your everyday shopping on Amazon.com using the Amazon Smile tool and selecting Dedication to Community as your charity of choice. A small portion of your purchases on most items will be donated to D2C, **at no cost to you.**
