

Q1 2021

We hit the ground running in the New Year! **Dedication to Community** has continued to work hard to bring healing, reconciliation and unity to communities across the country. Here are some of our highlights from the first quarter of 2021 .

D2C WELCOMES KIRK TRIPLETT

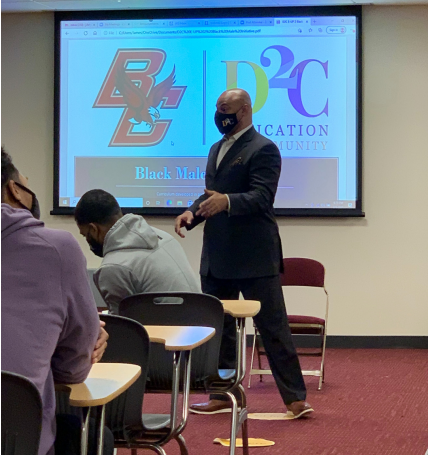

In February, we were thrilled to announce the addition of Professional Golfer and PGA Tour Veteran, Kirk Triplett, to our team! "I am tremendously excited to be working with Q. Williams and the team at D2C on this topic." said Triplett. "I look forward to participating in more training and improving my understanding of all aspects of how law enforcement and communities interact. I intend to use my platform as a professional golfer to lead others in the golf world into this discussion, many of whom might not otherwise understand its importance. I want to promote and participate in the mission of change that D2C is bringing to communities across the country." Check out Kirk's new bag! We love it!

BOSTON COLLEGE ATHLETICS PARTNERSHIP

In March we announced our partnership with Boston College (BC) Athletics! D2C and BC are developing and implementing an extensive justice awareness and action program for all of BC's 900 student-athletes, coaches and staff. The interactive program will address relevant societal issues - focused on Diversity/Belonging/Equity - by providing action-oriented tools which will ultimately enhance unity, relationships and opportunities for reconciliation during these challenging times.

"Dedication To Community has a message and mission that is vital to all of us today, no matter what our background is, and we are proud to be able to work with Quentin and his team on this historic and important effort," said Pat Kraft, Director of Athletics at Boston College. "We know this program will be well received and impactful for all of our staff, coaches and student-athletes, and we are honored to be in a position to offer this to our talented BC family."

Lamonte Winston, Chriss Spires, Kim Varner, Sr. and Quentin Williams

JACKSONVILLE COMMUNITY

In preparation for upcoming training sessions in the North Florida region, BKS Partners and D2C joined forces to have a small COVID friendly introductory get-together in late February. The evening was enjoyed by members of the D2C team alongside folks from the Jacksonville Jaguars, PGA Tour, Firehouse Subs, Cipher Sports, Jacksonville Jumbo Shrimp, Bethune-Cookman University, Jacksonville Sheriff's Office and Sheriff Robert Hardwick from St. John's County.

Thank you to Chriss Spires and BKS Partners for a wonderful evening of UNITY.
